

# BTW Sp. z o.o.

Maintenance | Infrastructure

BTW Sp. z o.o. is a company established in 1996 in response to the increasing requirement of the European railway market to specialist track works.

Due to high qualifications and long-term experience of our team and a well-equipped park of track machinery, for twenty-five years we have ensured reliable and high-quality performance of projects in the area of railway and tramway infrastructure. In connection with the dynamic development of BTW Sp. z o.o., and building close relations with investors and stable business partnership, TRAKCJA S.A. - a leader in railway engineering in Poland and Lithuania and one of the major companies in the infrastructural and energy sector in Poland - joined the Capital Group in 2016.

In 2018, BTW Sp. z o.o. implemented the quality management system and was awarded a prestigious certificate - PN-EN ISO 9001:2015.
